**‘Applicant’** means the parent / guardian of a Student, or, in the case of a Student who has reached the age of 18 years, the Student, who has made an application for admission to St Michaels Community College.

**‘Student’** means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply ‘prospective’ as part of the interpretation. That is, the use of the word ‘Student’ does not mean that the application for him/her has been accepted such that s/he is regarded as a Student of St Michaels Community College by virtue of application alone.

**‘Gender’**, in line with the definition of “*the gender ground*” in the Equal Status Act 2000, is such that “*one is male and the other is female*”. [This does not prejudice any Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise This does not prejudice any Student who identifies otherwise.

**‘Catchment Area’** refers to the designated residential area for application to all classes other than the A.S.D. The catchment area for St Michaels Community College is defined as the area within a boundary that is midway between St. Michaels Community College and the nearest second level school.

**Catchment Area for the A.S.D class** refers to the designated residential area for application to the A.S.D. Class within St Michaels Community College in respect of the person on whose behalf the application is being made. The catchment area for St Michaels Community College is defined as the area within a boundary that is midway between St. Michaels Community College and the nearest second level school.

**‘Parent’** has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

For the purpose of the selection criterion relating to the student having a sibling who previously attended the school, **‘Sibling’** refers to full siblings, half-siblings, foster-siblings and step-siblings.

**‘A.S.D. Class’** means a class that has, with the approval of the Minister of Education and Skills, been established by a school to provide an education exclusively for Students with a category or categories of special educational needs specified by the Minister of Education and Skills . St Michaels

Community College has a Special Class, established to cater for special educational needs of students with Autism/Autistic Spectrum Disorders.

**'First-Year'** means the intake group of Students for the most junior class or year in a school.

### **The Characteristic Spirit of E.T.B. Schools**

ETB schools are state, co-educational, multidenominational schools underpinned by the core values of:

- Excellence in Education;
- Care;
- Equality;
- Community and
- Respect.

As the state provider of education, the ETB sector defines a ‘multidenominational’ school in the following way:

In ETB schools, all students are given equal opportunities for enrolment in line with the Education (Admissions to School) Act 2018. Once enrolled, our schools strive to provide all students with equal opportunities to engage with the curriculum and school life. In all aspects of school life all members of our school communities are treated equitably regardless of their race, gender, religion/belief, age, family status, civil status, membership of the Traveller community, sexual orientation, ability or socio-economic status.

Our schools provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. They strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our schools promote a fully inclusive education that recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

In ETB schools, students of all religions and beliefs are treated equally. The school environment and activities do not privilege any particular group over another whilst at the same time acknowledging and facilitating students of all religions and beliefs.

Accordingly, St Michaels Community Colleges shall not discriminate in its admission of a Student based on the following grounds

- 2.1. Gender of the Student or Applicant. However, where a school admits students of one gender only, it is not discriminatory to refuse to admit Students not of that gender;
- 2.2. Civil status of the Student or Applicant;
- 2.3. Family status of the Student or Applicant;

- 2.4. Sexual orientation of the Student or Applicant;
- 2.5. Religion of the Student or Applicant;
- 2.6. Disability of the Student or Applicant;
- 2.7. Race of the Student or Applicant;
- 2.8. The Student's or Applicant's membership of the Traveller community;
- 2.9. Special educational needs of the Student or Applicant. [However, where the school provides education exclusively for a category or categories of special educational need(s) in a Special Class, it is not discriminatory to refuse to admit to that class a Student who does not have the specified special educational need(s).]

St Michaels Community College does not charge fees or payments or seek contributions as a condition of admission or continued enrolment of a Student.

### **3 LEGAL FRAMEWORK**

Section 62(7)(n) of the Education Act 1998 requires each school to set out in its Admission Policy the arrangements it has in place where a parent, or student over 18 years of age, requests that the student opt-out of religious instruction.

## APPEALS

---

### **8.1 Appeal where refusal was due to oversubscription:**

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must submit his/her appeal in writing, via a Section 29 Appeal Application Form, available from the school office and on the school's website, for it to be reviewed by the board of management of St Michael's Community College. Such an appeal must be brought within fourteen calendar days of receipt by the Applicant of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Skills after the publication of this Policy, same shall apply instead.

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

### **8.2 Appeal where refusal was for a reason other than oversubscription:**

An Applicant who was refused admission to St Michael's Community College for a reason other than the school being oversubscribed and who wishes to appeal this decision may choose to put his/her appeal in writing, via a Section 29 Appeal Application Form, available from the school office and on the school's website, for it to be reviewed by the board of management of St Michael's Community College. Such an appeal must be brought within fourteen calendar days of receipt by the Applicant of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Skills after the publication of this Policy, same shall apply instead.

Alternatively, s/he may choose to apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

If an Applicant who chooses to appeal to the board of management is not satisfied with the decision of the board of management, the Applicant may also apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

### **8.3 Basis for appeal:**

As required by section 29C(2) of the Education Act 1998, an application to appeal must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to appeal the decision.
